Bramble Bunny

Double the branding, twice the charm

Bramble is a 20cm eco bunny made from recycled plastics, with an embroidered face and irresistibly soft finish. She comes dressed in a full-colour branded t-shirt, with an optional additional print area on her ears for extra visibility. Suitable for all ages, Bramble is a keepsake that carries your message beautifully.

Extra Large Bears

Soft toys with the **E** symbol are part of the Eco Range.
These bears are made with recycled plastics.

DTF TRANSFER PRINTS

Direct to Film transfers are a premium heat transfer print method that produces vivid, detailed full-colour prints with exceptional staying power. The transfer bonds firmly to the fabric, creating a durable finish that will stand the test of time.

It's one of the most versatile and reliable print methods available, delivering consistent, high-quality results that ensure your branding remains bold and clear for the lifetime of the product.

Soft toys with the **E** symbol are part of the Eco Range. These bears are made with recycled plastics.
